DISPONIBILE SU RICHIESTA CON TRECCIA TRICOLORE

### DATI TECNICI - TECHNICAL DATA:

Tubo flessibile trecciato made in Italy in acciaio Inox AISI 304 con interno in gomma alimentare EPDM utilizzato per il collegamento tra la rete idrica e la rubinetteria sanitaria. Grazie alle dimensioni molto ridotte e alla pressatura su tutta la lunghezza della bussola, questo flessibile favorisce l'installazione su rubinetterie di qualsiasi design, specialmente quelle con un design molto minimale con degli spazi tecnici ridotti o poco accessibili. Tutti i flessibili sono raccordati con macchine automatiche ed il risultato è l'assoluta precisione di ogni pezzo prodotto per una garanzia di totale qualità.

Made in Italy braided hose in AISI 304 stainless steel with internal in non-toxic EPDM rubber, used for the connection between the water mains and the sanitary fittings. Thanks to the very small size and the pressing all along the entire length of the sleeve, this hose facilitates the installation on faucets of any design, especially on those with a very minimal design with reduced engineering spaces or not very accessible. All the hoses are produced with automatic machines and the result is the absolute precision of each produced piece for a total quality guarantee.
